

PREMKUMAR PARMAR

Computer Science & Engineering Student | Frontend Developer | AI Enthusiast

Halol, Gujarat, India | Email: premparmar9161@gmail.com | Phone: +91 91063 5073
Portfolio: <https://personal-portfolio-zeta-three-20.vercel.app> | GitHub: github.com/premparmar

PROFESSIONAL SUMMARY

Dedicated Computer Science & Engineering student passionate about building functional, responsive web applications and exploring modern AI technologies. Skilled in turning design concepts into reliable, clean web interfaces with modern frontend tools (React, Tailwind CSS, TypeScript) and established software engineering practices.

EDUCATION

Diploma in Computer Science & Engineering <i>ITM SLS Baroda University, Vadodara, Gujarat CGPA: 6.59 / 10.0 Enrolment No: 23C11086</i> Core Coursework: Data Structures, DBMS, Web Development, Object-Oriented Programming, Algorithms.	2023 – 2026
Secondary School Certificate (SSC, 10th Grade) <i>GSEB Board, Gujarat Percentage: 61.16%</i>	2023

TECHNICAL SKILLS

- Web Technologies & Frameworks:** React, HTML5, CSS3, Tailwind CSS, JavaScript (ES6+), TypeScript
- Programming & Databases:** Python, JavaScript, C, SQL, Database Management Systems (DBMS)
- Tools & Platforms:** Git, GitHub, Vercel, Responsive Web Design, MS Office
- AI & Modern Technologies:** Generative AI Foundations, AI Agents, Prompt Engineering, Modern AI Developer Tools

SELECTED SOFTWARE PROJECTS

Web Application & Authentication Portal (Final Year Project) <i>Tech: React, JavaScript (ES6+), CSS3, Vercel Live: frontend-five-nu-xvp54qnk44.vercel.app</i> - Engineered responsive web portal featuring client-side form validation, secure user authentication workflows, and modern UI components. - Configured Git repository CI/CD pipeline and automated deployment on Vercel cloud hosting.	2026
Personal Portfolio Website (Responsive Web Design) <i>Tech: HTML5, CSS3, JavaScript, React, Tailwind CSS Live: personal-portfolio-zeta-three-20.vercel.app</i> - Designed clean, modern portfolio showcasing technical competencies, verified certifications, 3D interaction, and accessible contact actions. - Built with mobile-first responsive architecture ensuring optimal performance across mobile, tablet, and desktop screens.	2025 – 2026
AI Agent & Workflow Prototype (Applied Generative AI) <i>Tech: Python, Generative AI, IBM SkillsBuild, Prompt Architecture</i> Explored autonomous agent design and conversational task execution based on IBM SkillsBuild & TCS iON curriculum.	2026

VERIFIED CERTIFICATIONS & CREDENTIALS

DBMS Course - Master Fundamentals & Advanced Concepts — SCALER Topics	(SCALER-DBMS-2026, Sept 2026)
String Pattern Matching: KMP Algorithm — SCALER Topics	(SCALER-KMP-2026, Sept 2026)
Generative AI Essentials — TCS iON	(8773-32296296-1016, June 2026)
Build an AI Agent — IBM SkillsBuild (Credly Verified)	(Verified Badge, May 2026)
YUVA AI For All — TCS iON & IndiaAI	(National Initiative, May 2026)
Business Correspondent Certificate (Basic) — IIBF (Banking & Finance)	(Reg No: 802906457, July 2026)

PERSONAL DETAILS & LANGUAGES

Languages: English (Professional Working Proficiency), Hindi (Fluent / Native), Gujarati (Native)
Location: Halol, Gujarat, India | Legal Name (University Records): Parmar Premkumar Rajeshkumar
